Natural Science Activities

Page Ref:

[Activities](#) [1]

These lessons incorporate audio-video oral histories of Illinois agriculture into activities about animals, plants, and soils, each in its own book section.

[2]

Haying on Sweet Farm, 1895

The lesson below deals with soil science in 30 one-page activities from Purdue University. Also find and watch ISM interview clips of Ed Runge as he talks about soil types for agriculture and the origins of Illinois topsoils.
