OH 3.5. LUKE BRIDGER interviewed by Terrence Zeller 10/22/1986 - Tape Born in South Grove, Illinois in 1910, Bridger lived in the DeKalb area all his life. He began farming in 1931, moved to his present location in 1943, and retired from farming 12 years ago. He eventually farmed over one thousand acres, with livestock forming the basis of his marketing operations. This is the view of a successful farmer and community leader.
