**Objective:** Learners will be able to complete a Venn diagram to compare and contrast information about Amish people and the Amish culture based on oral history interviews and the novel *Plain Truth* by Jodi Picoult.

**Materials Needed:**

Novel- *Plain Truth* by Jodi Picoult (students)  
Writing utensils (students)  
Venn Diagram Worksheet (teacher)  
Computer with internet access, speakers and projector (teacher)  
Selected clips from the ISM AV Barn regarding perspectives of the Amish lifestyle of Oba Herschberger and his wife Lorene.

**Strategies that will be used in the lesson:**  
Compare and Contrast, Partner work

**Anticipatory Set:**

1. Students will be given a Venn diagram worksheet as they come into class and are instructed to write what they know about the Amish culture based on the novel *Plain Truth*.

2. Instruct students to only fill out one portion of the diagram label that side *Plain Truth* and label the other side Oral History Interviews.
Procedure:

1. Go over instructions diagram. Give students time to complete.
2. Teacher will facilitate discussion about students’ answers about the novel *Plain Truth*.
3. Teacher will present oral history files from the ISM AV Barn. (The teacher will pre-select the clips prior to class. Clips will include oral history about farming, quilting, and what it is like to be Amish from the Amish perspective.
4. Students should take notes in the open section of their diagram.
5. After all clips are shown or listened to, the students will have time to work with a partner to come up with a conclusion to the Venn diagram.
6. Students will then write conclusion of what they learned on a fresh sheet of paper to turn in.

Closure: Before the end of class re-cap the information that we learned. Allow students to share their findings.
